To whom it may concern,

Thank you for this opportunity.

I am eager and ready to learn more during practicum. I am a driven individual who is extremely passionate about my work. In my work experience as a lifeguard at OYO camp, I was extremely passionate about communicating with the kids and engaging them. I was encouraged and a fun aspect of the staff at the camp. I had to find creative ways to be fun however, also keeping in mind safety aspects. I am always looking to improve my work. Overall, my superiors have called me to be one of the hardest workers they know.

This opportunity is especially exciting as I learn crucial real world experiences. I really am looking forward to meeting with you and learning from your staff.

To illustrate the scope of my career history and professional competencies, please take a moment to review my resume and professional portfolio (greer davidson.com). I am grateful for your evaluation of my credentials and subsequent response.

Sincerely,
